PROFESSIONAL EXPERIENCE

Associate Production Manager, Reel FX Creative Studios

Feb 2012 — Present

Rock Dog – 3D animated feature (Mandoo Pictures)

Dallas, TX

- Currently manages Lighting, VFX and Matte Painting departments and production staff.
- Supervises department schedules, production reporting, review workflow, and day-to-day operations.
- Vets accuracy of review agendas and notes, delivers review documentation and related media to client.
- Instructor for studio's Excel classes for production management.

The Book of Life – 3D animated feature (Fox)

- Managed a 45+ team of Lighters, Composers, TDs and production staff through production of 1900+ shots.
- Maintained and disseminated sequence schedule, in accordance with the overall production plan.
- Led daily shot dependencies meeting with department supervisors and production staff.
- Worked with Digital Producer to assess and track marketing requests for trailer and promo material.
- Refined and updated production tracking and review workflows, in support of company's new backend pipeline.

Free Birds – 3D animated feature (Relativity)

- Scheduled and managed 15 artists on VFX, CFX, and BG Animation teams, delivered elements on 700+ shots.
- Authored and maintained weekly quota and production reports for 50+ person Animation team.
- Co-developed requirements and specs for the studio's proprietary artwork tracking system, *PrePro*.
- Tracked show-specific pipeline, IT, and media engineering development efforts.

Production Coordinator, Reel FX Creative Studios

Nov 2009 — Jan 2012

Free Birds – continued

Santa Monica, CA

- Coordinated production and technology needs for multi-site (Dallas, Santa Monica, and remote) production team.
- Created Excel scripts and templates to help production staff generate reports and schedules; trained staff on usage.

Cirque du Soleil – live-action feature (Paramount)

- Coordinated domestic and international travel for key cast and department leads.
- Established vendor relationships for Las Vegas production and editorial office (travel, utility, equipment, etc.).

Director of Development & Production, Havenwood Media

May 2006 — Oct 2009

- Co-authored business prospectus; executed scenario analysis and related financial models.
- Created shooting schedules, evaluated and developed screenplays and other IP, established and maintained vendor relationships, prepared film delivery documentation.
- Managed travel schedule and business relationships when company's producer/CEO was on location shoots.

Burbank, CA

Development Manager, IDG Films

May 2005 — May 2006

- Evaluated and developed film projects for startup US/China coproduction company
